APPLICANTS, PLEASE NOTE: A land use or land development, as defined by the Ordinance, listed as “permitted as an interim use” are permitted subject to all requirements imposed by sections of this Ordinance and additional conditions intended to mitigate anticipated adverse impacts associated with the use, to ensure compliance with the Standards, to insure that the Criteria are met, to protect the value of other property, and to achieve the goals and objectives of the Comprehensive Plan. Each interim use application shall be considered a unique situation and shall not be construed as precedents for similar requests. Further conditions may be imposed on any interim use by the City Council in response to special conditions of the use or site.

The Planning Commission will review or take action on this request on ____/____/____.
(Applicant or authorized agent must be present at the Planning Commission Meeting).

The City Council will review or take action on this request on ____/____/____.

1. Describe the proposed use sought for the property:

2. State your reasons why the interim use if granted will not be injurious to the use and enjoyment of other property in the immediate vicinity, nor impair property values in the immediate vicinity and is compatible with the existing neighborhood.

3. Describe the impact on the capacity of existing or planned community facilities (sewer, drainage, other). Explain if additional facilities will be required.

4. Describe the impact to the traffic on roads, highways in the vicinity, and the expected traffic generated by the proposed use. Is there adequate off-street parking available to accommodate the proposal?

5. State what measures have or will be taken to control offensive odor, fumes, dust, glare, signage, excess traffic, noise and vibration, so that none of these will become a nuisance or disturbance to neighboring properties.

6. State your reasons why you believe a demonstrated need exists for the proposed use.

7. Describe the physical characteristics of the site, including but not limited to, topography; erosion and flooding potential; soil limitations; and, suitability of the site for the type of development or use contemplated.

8. Please include any other comments pertinent to this request.
