## Operational Policy Rate Schedule

### 2024

#### 1.2 ADVANCED PAYMENT REQUIRED:

- A. **Residential Electric Customers:** will be required to pay a **\$150.00** advance payment fee.
- B. **Residential Electric Heat Customers:** will be required to pay a **\$250.00** advance payment fee.
- C. **Commercial Electric Customer:** Based on highest history of a one-month bill. Advance payment will be based on the highest billings for a two-month period when no social security number is given. Electric bill based on connected load and the type of facility being served. See Policy Manual for full description.
- D. **Industrial Electric Customers:** Based on highest history of a one-month bill. Advance payment will be based on the highest billings for a two-month period when no social security number is given. Electric bill based on connected load and demand. See Policy Manual for full description.
- E. **Residential Water Customers:** Advance payment will be **\$50.00**. All other water customer's advance payment charges will be based on meter size and one month's estimated water billing.
- F. **Advance payment Fees for Residential Wastewater Accounts:**  
Advance payment for residential customers shall be **\$75.00**. On all other accounts, the advance payment fee will be based on one-month average estimated wastewater billing.
- G. **Advance payment Refund:** Advance payment will be refunded after customer has established a good credit rating for (12) twelve consecutive on time payments with SCPUC. If the customer is delinquent within the first twelve months, the advance payment period will be extended for an additional twelve consecutive on time payments.
- H. **Termination of Service:** In the event the customer terminates service, the advance payment will be directly paid within 45 days after termination of service and payment of all bills owed.
- I. **No Social Security Number** customer's advanced payments will be retained with the SCPUC until customer terminates service in Sauk Centre.
  - 1. A new customer of the SCPUC is required to fill out an Electric Service and Credit Application form. If the residential customer refuses (or doesn't have) a social security number to give the SCPUC then a **triple** advanced payment will be required. The utility will retain the deposit until the customer terminates service with the SCPUC. See Advanced Payment Policy for more information.
